

SAF EXPRESS

LOGISTICS

Who We Are

SAF Logistics is a client-centered clearing and forwarding company that is passionate about serving its clients with excellence in meeting their unique needs by providing end-to-end (source to destination) services of the logistics and clearing value chain.

The concept of freight forwarding may seem complex and foreign to most, but at SAF, we ensure that the flow and management of the consignment, warehousing, processing, deployment, transportation, tracking and storage services are not only seamless for our clients but also simplified.

Not only are our services being tailor-made to suit our clients' needs, but they are rendered with diligence and passion as we keep our clients at heart, and endeavor to be responsive and proactive at all times.

Mission

To leverage technology in creating and delivering simplified individualised logistics solutions that meet our clients needs.

Supply Chain Solutions

Are your supply chains supporting or hindering your company's goals?

By switching from a traditional supply chain approach to a digital and collaborative platform, you can unleash the full potential of your supply chain.

Your customers require dependability and efficiency in a world where things can change in an instant. Faster time-to-value is critical, but limited resources make optimizing your supply chain difficult. Working with a seasoned supplier provides you with genuine advantages that help you stand out from the competition and boost client satisfaction.

Connect your company to our delivery mechanism and turn your supply chain from a cost centre to a profit centre with a competitive advantage.
