Web Designing & Development

Mallano Media develops websites that bring your brand to life. Our team is experienced in knowing the content your site needs and the best way to showcase it. Mallano Media makes this easy by taking care of all the technicalities. Our back-end developers are experts in Java, PHP, Ruby, Python, SQL, and more while our front-end designers are well-versed in using JavaScript, CSS3, HTML5, and more.

Animation & Graphics Web Design

We're all aware of the fact that a picture speaks a thousand words. Graphic images speak volumes and sometimes convey more than a piece of text. From illustrative art and HTML to graphics and responsive design, our Graphic Designing team creates beautiful logos, branding materials, illustrations, infographics, motion graphics, and more to fulfil your branding vision.

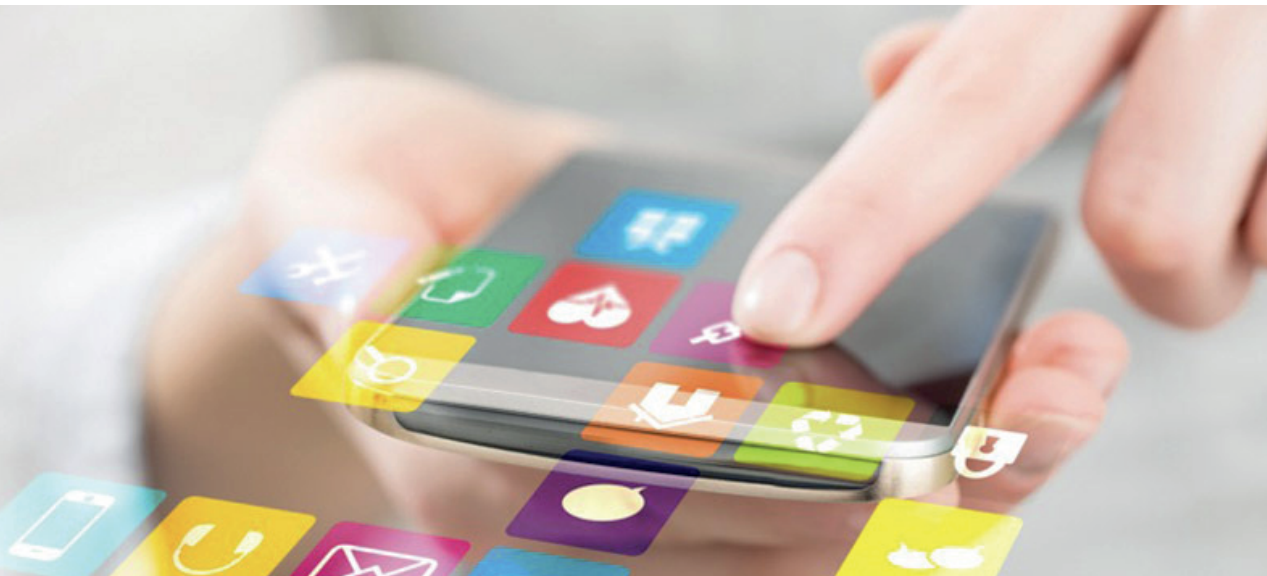

Mobile App Development

Mallano Media delivers fully functional Mobile Apps customizable for every product for various platforms such as iOS Mobile App Development, Android Mobile App development, and Windows Mobile App Development. Using our many years of experience in mobile app development, our Mobile App Development Team will help you create smooth, seamless experiences on any mobile device.

Marketing Campaigns

Great marketing campaigns are one of the most effective tools to provide your business with an instant boost and maximize the audience approach in a short period of time. Mallano Media provides multiple and customized marketing campaign ideas to help your business grow in order to engage with the right target audience. We specialize in driving traffic.

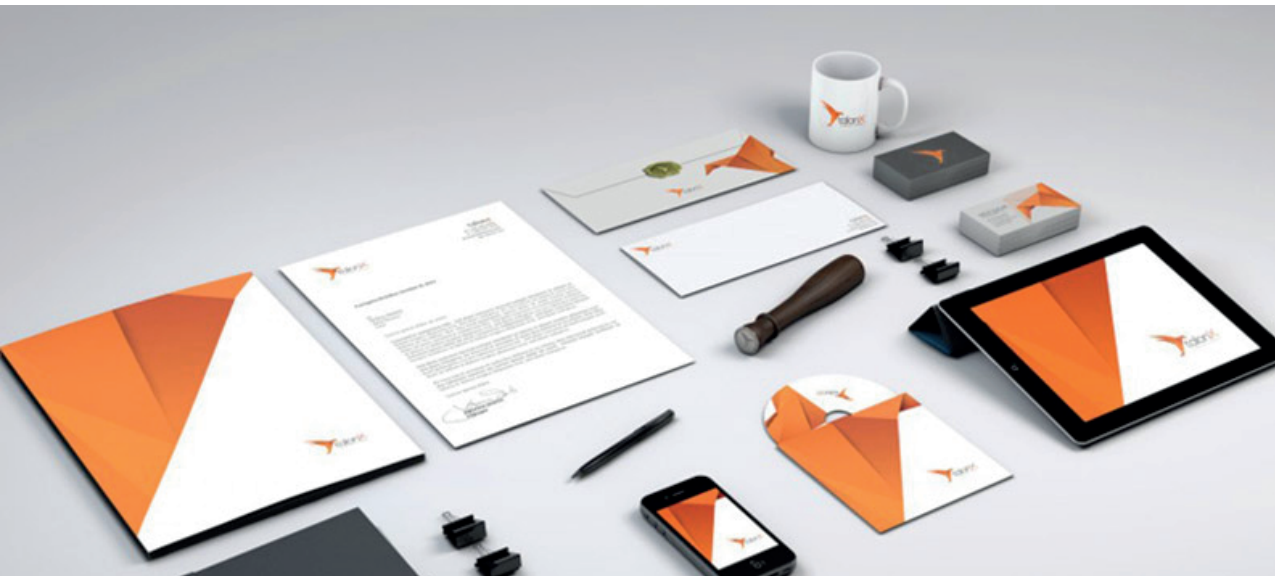

Branding

Branding is the art of becoming knowable, likeable and trustable, as John Jantsch said “Every company and product has a set of unique values that distinguish it from its peers”. Your brand is a visual embodiment of your business and is unique to you. Hence why we make it our mission to develop clear and exciting brands So, whether you are a start-up business looking to develop an entirely new brand, or update your existing brand, Mallano is here to take your brand to new heights.

Video & Animation

Everyone has a story to tell. Yours is much more powerful than you know. Struggle to explain your product? Want your target audience to retain information about your brand? Our team of professional motion graphics designers have years of experience in creating animations for a wide range of industries and access to a world of tools powering their creativity.

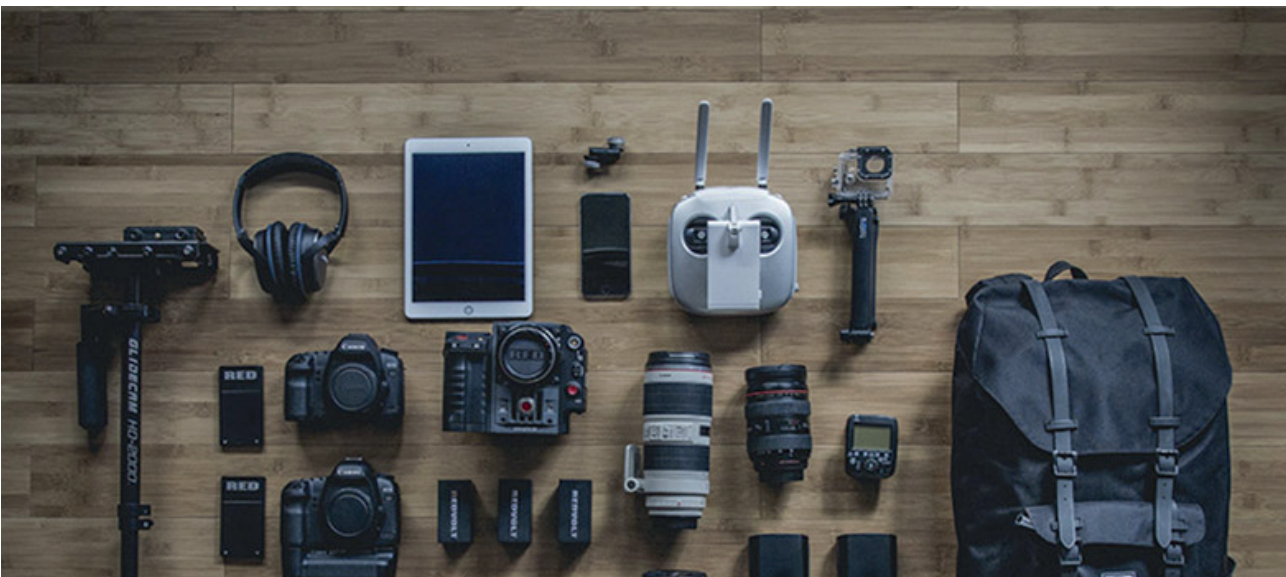

Photography

We believe being artistic and creative go hand in hand. And therefore we are prized for our talents in photography as well. Inspiring and effective, our portfolio has imagery to suit corporate campaigns the fun-loving but responsive ones too. We specialize in Industrial Photoshoots, Corporate Video Production, Company Video profiles, Events Photoshoot, Wedding Photoshoots, Product photoshoots and Drone Video production.

Social Media Marketing

Once you have a website up, it does not mean you can take it easy, you need to monetize. Contact us, we have all the skills to make your social media campaigns, google campaigns a roaring success, from content marketing, SEO, SEM, social media marketing, pay-per-click advertising, affiliate marketing and so much more.

شراء برامج أصلية

تفعل عملية شراء البرامج تحدياً سهلاً فهناك الكثير من المنتجات والخدمات
المقلدة في السوق. لذا عليك تجنب المخاطرة والبقاء بأمان عن طريق شراء
البرامج الأصلية.

Why risk it? Stay Protected.

There is a 33% chance of malware
if a PC has unlicensed software.

Only genuine Windows provides the
security, updates and support you need.

مخاطر البرامج غير الأصلية

تتسبب البرامج غير المرخصة بحدوث عدد من المخاطر. كن حذراً عند شراء برنامجك القادم.

قد تحتوي البرامج غير المرخصة على فيروسات وقد لا تتوفر فيها إجراءات أمان كافية، مما يتسبب بعواقب قد تؤثر سلباً على حياتك الشخصية أو العملية.

إدخال برامج ضارة

يمكن أن تتعرض لهجمات ضارة
استخدام نظام التشغيل أو أن
